

August 2025 Newsletter

Christian Homeschool Connect

Welcome to our third year as a homeschool group! We are thrilled to share updates about all the exciting things happening in the Fall 2025 semester. This semester will be packed with engaging Biblical concepts that coincide with creative hands-on activities and field trips that are sure to keep our students motivated and eager to learn while having fun!

In this edition, you'll find a glimpse into our September calendar, and important information about upcoming events and activities. We believe staying connected with our families is key to building a strong homeschool community, so we hope this newsletter keeps you in the loop and gets you excited about our upcoming year.

Thank you for your continued support in helping us create a fun, inspiring, and successful homeschool group. Together, we're making every moment count!

Who We Are?

- Christian Homeschool Connect connects homeschool families to faith-based support through consistent interaction and modeling that is focused on growing relentless servants of Jesus Christ using God's word, the Bible, as our foundation.
- We meet on Thursday afternoons from 2:30pm-4:00pm for learning-based activities, field trips, and more.
- All meetings are organized to best serve children ages 5- 19.

What's New?

More Important News

Group Communication

- Starting September 2025, we will be moving to Signal Group Chat for our registered member text communications and reminders.
 - Signal will help keep everyone connected, informed, and facilitates building a closer-knit community.
 - There will be individual chats for the Interest Groups to keep communications clear.

CHC LEGO Robotics Team

- We have an exciting, new opportunity for CHC families with children age 10-18!
- Led by the PPCC NextGen Children's Pastor, Adam!
- Starts out as non-competition in the fall semester and moves to a full competition team in the spring 2026 semester.
- Minimum of 10 students to get this group started.
- There is an additional fee for this interest group.
 - \$100 fee per student (annual)
 - Due with CHC registration for those wanting to join this group.
- This fee will allow CHC to purchase the necessary kits needed for students to compete.
